

## **Fixed Term Swim Lesson Agreement - Withdrawal Policy**

No credits or refunds will be offered on term fees. To rebook for the next term all students need to complete an enrolment form online or the one provided and bring it back with your \$40 deposit.

The \$40 deposit acts as a holding fee securing your child's position in the program.

If you withdraw your child from the program your deposit is lost and you will be required to pay for the lessons attended or unattended prior to notification of withdrawal. The enrolment needs to be returned to the centre by the due date.
